# Additional Key Documents

We also emailed you:

- Summary of Tribal, tax district, and public outreach
- Scoring worksheet (Excel)
- Final scores and comment document (Word)
- Final prioritization criteria (Word)\*

\* Wording of criteria may differ from region applications

# How to Determine Score

1. Read the packets for each parcel.
2. Consult the prioritization criteria tables in the final prioritization criteria document to determine the point range for each criteria.

Point Range: 0-5	Multiplier: 2
0 points	No local communities identified or impacted; or no evidence of community involvement and support; or community opposition to this proposed transfer
1-2 points	Minimal community involvement and support
3-4 points	Moderate community involvement and support
5 points	Exceptional community involvement and support

3. Determine the appropriate score.

# How to Enter and Tally Scores

Enter scores for each criteria in the Excel document, "TLT Score Worksheet."

Criteria	Score	Multiplier	Total	Comments
Community involvement and support	4	2	8	
Ecological values	3	3	9	
Economic values	2	n/a	2	
Public benefits	5	3	15	
Tribal support	3	3	9	
TOTAL SCORE, all criteria			43	

Add comment in this column on why you scored as you did

Input scores for each criteria in this row

Multiply score by multiplier (if any) and enter total in this column

When done entering and multiplying scores, add them all together and enter here

# Where to Enter Final Scores

Enter the **TOTAL** score, all criteria into the Word document, “TLT Final Scores Comments.”

Blakely Island	Chapman Lake	Chelatchie Trail	Devils Lake	Eglon	Lake Spokane Campground	Morning Star	Moses Lake Sand Dunes	Rustlers Gulch	Upper Dry Gulch	West Tiger

Add comments about the scoring process and criteria in the box provided at the bottom of the page.

# Rules of the Road

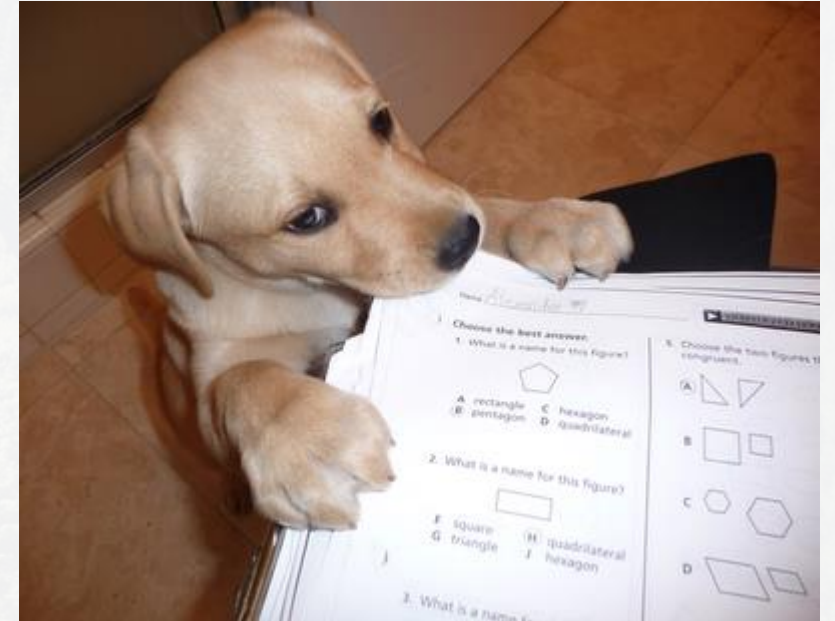

- Some applications are more complete than others
- Some packets have a lot of additional information, others very little
- Try to score each parcel **based on the information provided**, not on your own research
- Documents linked to applications ok to reference

# What to Provide DNR, by When

- Completed “TLT Score Worksheet”
  - Completed “TLT Final Scores and Comments”
- 
- Add your first name and last initial to file name
    - For example: TLT Score Worksheet\_Heidi\_E
  - Email to DNR by 5pm on **Thursday, August 4, 2022**
  - Email to Kristen, Laurie, and Cathy

# What Happens Next?

DNR will tally all scores to derive a final score for all parcels and then create a prioritized list

	Blakely Island	Chapman Lake	Devils Lake	Eglon	Lake Spokane Campground	Morningstar	Moses Lake Sand Dunes	Rustlers Gulch	Upper Dry Gulch	West Tiger
WG Member 1										
WG Member 2										
WG Member 3										
TOTAL										

DNR will email the prioritized list to all work group members.

We will meet on August 11 to go over the final scores and gather your feedback on the scoring criteria and process.
